

ENVIRONMENTAL, OCCUPATIONAL SAFETY AND HEALTH AND SOCIAL RESPONSIBILITY INTEGRATED POLICY

SLC AGRÍCOLA S.A., Company dedicated to producing and processing agricultural commodities, is committed to preventing accidents, promoting ethics and sustainable development, and preserving the environment in all its respects, continuously improving its processes and products by raising awareness and adopting effective programs.

OUR COMMITMENT

- ✓ To continuously improve our processes and systems.
- ✓ To ensure, as minimum standard, the compliance of **SLC AGRÍCOLA S.A.**'s activities to applicable legal requirements and other subscribed requirements related to employees' safety and health and the Company's environmental and social aspects.
- ✓ To minimize risks and prevent pollution, accidents and incidents by means of appropriate practices, such as:
 - efficient use of natural resources
 - reduction of liquid and gas waste
 - reuse, recycling and correct waste destination
 - elimination of labor unsafe conditions and pursuit of "zero accident"
- ✓ To promote ethics and sustainable development.
- ✓ To be a leader in the construction of a safe environment, environmentally adequate and socially responsible.
- ✓ To strictly investigate all environmental and occupational accidents on the Farms which belong to **SLC AGRÍCOLA S.A.**.
- ✓ To notify service providing companies which perform any type of activity at its facilities on the need to comply with internal rules and rules related to Social Responsibility, Environment and Safety at the Workplace
- ✓ To maintain and develop awareness projects related to social responsibility and environmental and occupational aspects at all levels of the organization, including professionals and other persons operating on behalf of **SLC AGRÍCOLA S.A.**.
